Since 1979, Keene Eye Care has been the leader and preferred provider of quality vision care products and personalized optometric services to our patients in Keene and the surrounding areas. Our experienced doctors and staff offer comprehensive vision examinations and specialize in the diagnosis and treatment of a wide array of eye diseases, conditions, and problems.

In our mission to provide the best eye care services possible, our doctors use only the most advanced, state-of-the-art diagnostic technology and eye care products available. We are committed to educating our patients and providing personalized eye care services to the people of Keene. At Keene Eye Care, you will find eye care professionals who genuinely care about your health and are dedicated to providing exceptional personal service to everyone who walks through our door.

Dr. Robert W. Wyman, O.D.

With over 30 years experience practicing in Cheshire County, Dr. Wyman has become a trusted name in vision care. Dr. Wyman lives in Swanzey with his wife, Lisa and their dog, Bess. They also have three grown sons: Josh, Travis and Sam. When he's not checking eyes, Dr. Wyman loves hitting the roads and trails of NH on his favorite bikes! He is a graduate of the New England College of Optometry in Boston, Massachusetts.

Dr. Tracy Roettiger, O.D.

Dr. Roettiger moved to Cheshire County upon completion of a country wide tour of internships in places as varied as the Indian Health Services in Bethel, AK, as well as a few locations on the east coast like a practice in Fairfield, CT, the VA Hospital in Leeds, MA, and The Dorchester House Community Health Center just outside of Boston.
