# HISTORIC BUILDING

## Wyman Tavern

(Photo by Gabe Shakour)

The Wyman House at 339 Main Street in Keene is a historic house, a former tavern, and now a history museum. Built in 1762 by Isaac Wyman – a veteran of the French and Indian War – this wood frame, Georgian architectural style house operated as Wyman Tavern for 40 years. During this time, many important New Hampshire events took place here. One such event was the

gathering of 29 minutemen during the American Revolution, who went on to march to Lexington on April 15, 1775.

The Wyman House was listed on the National Register of Historic Places in 1972, and holds reenactments, 18th Century kids' camps, the Wyman Tavern Brew Fest, and many other festivals and events throughout the year. Visit [www.hscnh.org](http://www.hscnh.org).
