Getting From Here To There

A gentleman by the name of C.S. Aldrich is pictured near Wheelock Park in Keene with a companion in an early 1900s car. License plates were sequentially numbered (this one was 183), so more than likely not many of these cars were seen in the area.

Entertainment Industry: 1940s

The Great Depression was over and the entertainment industry was now in full swing, releasing movie greats such as *Fantasia*, *The Grapes of Wrath*, *Pinocchio*, *The Philadelphia Story*, and *The Great Dictator*.

People listed to music on the radio mostly, but phonograph players were just starting to get more affordable for the average family.
