

## Fast Friends Hosts Yard Sale To Help Bring Over Rescued Borzois From China

On Saturday, April 28th, Fast Friends will hold its first fundraising yard sale and bake sale of the season. This event is raising money to help pay to transport four Borzois rescued from a breeder in China to Fast Friends and on to forever homes.

"Bringing these dogs to Fast Friends will absolutely transform their lives," says Executive Director Sharron Thomas. "We are so grateful to have the opportunity to help sighthounds in the Chinese dog meat trade as well as retired racing Greyhounds here in the US."

The Borzois coming to Fast Friends were rescued from a breeder who was losing his kennels. He contacted a rescue group in China instead of selling his dogs into the meat trade. Fast Friends has worked with this group before to bring over five rescued Greyhounds from China in February.

The community is invited to come to

the Fast Friends Greyhound Adoption Center at 14 West Swanzey Road, across from Market Basket, from 8 a.m. to 2 p.m. to browse toys, games, gadgets, jewelry, furniture, housewares, books, tools, and more. Lunch and a wide assortment of homemade baked goods will be available to purchase.

Fast Friends is also asking for donations to help bring the Borzois from China and attend to any care they need when they arrive. Visit [www.helpinggreyhounds.org/donate](http://www.helpinggreyhounds.org/donate) to help.

Fast Friends Greyhound Adoption Center places retired racing Greyhounds into loving homes. They run an all-breed doggy daycare and boarding facility with a grooming salon to support the program and the care of the more than 40 Greyhounds. Fast Friends is open every day from 11 a.m. to 3 p.m. for anyone interested in learning more about adoption, Greyhounds and other sighthounds, and the services offered.
