Vacation Week Programs At Keene Library

The Keene Public Library offers free programs for children, teens, and families during school vacation week; story programs, craft programs, movies, lectures, and more. The library is located at 60 Winter Street.

Kids eight to 13 years of age can travel to the 16th century by joining the weeklong Medieval Kingdom Cosplay. From 10 to 11:30 a.m., participants will re-imagine themselves as a royal knight, a noble lady, a craftsman, or a farmer. Children will make their own costume, armor, and jewelry from fabric, cardboard, wire, tape, and decorative trims. Space is limited and registration is required. To register, children must have a birth date before February 26, 2010. Participants should know how to use sharp scissors and hot glue guns and be able to work relatively independently.

In addition, the library offers programs that do not require registration. These include Messy Art; Build-a-Rama; Board in the Library; Forbidden Desert; Monday Night Writers; 3D Maker Lab; Craft-tastic Drop-In Family Art Studio; Teen Movie Matinee; Evening Film Series; Cookies and Coloring for Adults; Open Play: Games @ Your Library; Strategy Game Night; Drop-in Knitting and Crocheting; Family Dance; and Family Story Time.

For the complete list of programs, call 603-352-0157 or visit www.keenepubliclibrary.org.
