EMPOWERING POSSIBILITIES
VSECU

Care Support Coordinator (CSC)

Full time position. The Monadnock Collaborative, a health and social services nonprofit organization has an opening for a Care Support Coordinator (CSC) as part of the IDN-1 grant funded project. Under the direction of the Co-Pilot Program Manager, the CSC provides limited case management and coordinates services in the community as part of a psychosocial rehabilitation services for Medicaid recipients with complex needs, particularly individuals with severe or persistent mental illness. Utilizing the Critical Time Intervention and Enhanced Care Coordination criteria, the CSC accepts client referrals from the clinical staff at Cheshire Medical Center, New Hampshire Hospital and other locations. Will assist the clients and their families to navigate community resources while ensuring integration with healthcare services in order to improve patient care and outcomes. Helps the clients to address social and behavioral determinants of health needs that can be a barrier to them achieving better overall health and wellbeing. Empowers the patient/caregiver to become an active participant in their care and assist in developing lasting self-management skills.

Care Support Team Leader (CSTL)

Full time position. The Monadnock Collaborative, a health and social services nonprofit organization has an opening for a Care Support Team Leader (CSTL) as part of the IDN-1 grant funded project. Under the direction of the Co-Pilot Program Manager, the Care Support Team Leader provides limited case management as well as team leadership for the Care Support Coordinators. CSTL coordinates services in the community as part of a psychosocial rehabilitation services for Medicaid recipients with complex needs, particularly individuals with severe or persistent mental illness. Utilizing the Critical Time Intervention and Enhanced Care Coordination criteria, the CSTL accepts client referrals from the clinical staff at Cheshire Medical Center, New Hampshire Hospital and other locations and assigns referrals to the Care Support Coordinators. Assists the clients and their families to navigate community resources while ensuring integration with healthcare services in order to improve patient care and outcomes. Helps the clients to address social and behavioral determinants of health needs that can be a barrier to them achieving better overall health and wellbeing. Empowers the patient/caregiver to become an active participant in their care and assist in developing lasting self-management skills. Provides support, collaboration and guidance for the flow of coordinated care for patients and their caregivers. Determines the program criteria for the Care Support Coordinators. The CSTL must exhibit excellent communication skills, proficient at time management, and effective at collaboration along with a calm and professional manner.

Qualifications for both positions: Bachelor's degree in Psychology, social work psychosocial rehabilitation or related human services field accepted. Master's degree is preferred. Two plus years of experience in a community based psychosocial rehabilitation treatment. Experience in case management services, health and human services or related field a plus. Must have reliable transportation and proof of auto insurance.
