

Call For Exhibitors For Art In The Park

The Monadnock Area Artists Association will host Art in the Park and is now accepting artists' applications for its 60th annual show that will be held on Saturday and Sunday, September 2nd and 3rd from 10 a.m. to 4 p.m. at Ashuelot River Park on West Street in Keene.

All exhibitors are required to have their work on display for both days, rain or shine, and artists or a representative must be present at their booth during show hours. Site dimensions

are approximately 10 feet X 10 feet; exhibitors provide tents, weights, display systems, and original artwork. The booth should be at least 75 percent framed fine art / photography or sculptures and only 25 percent additional products, such as note cards, calendars, or bins of matted prints / photographs, if applicable. No crafts will be accepted, and no nudes due to the City of Keene regulations for Art in the Parks. Security will be provided in the park overnight on Saturday evening through

Sunday morning, so tents and furnishing may be left up, but all artworks on display should be taken home and re-installed Sunday morning before 10 a.m.

The requirements and application forms are available at www.monadnockareaartists.org. The deadline for applications is Friday, July 7th.

For more details, email Wendi Hulslander at maaapres@gmail.com or Hannah Clark at hec.designs@gmail.com.

James Faulkner Elementary Part Of Healthy Monadnock School Champions

James Faulkner Elementary School earned three badges recently as part of its commitment to the Healthy Monadnock initiatives. These badges were for a commitment to being tobacco free, being well-nourished, and to building resiliency. Additionally, they need just one more qualifier to receive their physically active badge. Plans are already in place to meet that goal by participating in the upcoming DeMar Kids' Marathon.

The DeMar Kids' Marathon is for students who will be in first through sixth grades next fall. They need to run or walk a total of 25 miles during the spring and summer, before the marathon date on Tuesday, September 5th. At this race, marathon participants will have the opportunity to run the last 1.2 miles of the official Clarence DeMar Marathon course.

"Our all-school hike to Stoddard Rocks on June 20th with the Stoddard Conservation Commission will give us all the opportunity to start logging our miles," says JFES Principal Martha LeMahieu.

41st Annual Yankee Steam Engine-uity Show

The Central Mass. Steam, Gas, and Machinery Association (CMSG-MA) will hold its 41st Annual Yankee Engine-uity Show at the Orange, MA Airport, located at 80 Airport Street, on Saturday and Sunday, June 24th and 25th.

Exhibits will open at 8 a.m. on both days. On Saturday, a kiddie tractor pull will be held at 11 a.m., followed by a tractor parade at 1 p.m. Music by The Boot Hill Express will be played from 3 to 6 p.m. On Sunday, a tractor parade will be held at noon, followed by a raffle at 1 p.m. Other events include a flea market on both days (vendor space is available by calling 413-323-9519), a blacksmith demonstration, antique cars, and archery machinery demonstrations.

Entrance to the show is \$3 per carload. Visitors are welcome to fly into the Orange Airport. The event is family-friendly.
