**Fast Friends Greyhound Adoption**

**LEO**  
The best home for me, I would say needs to be quiet, and have very few people interacting with me daily, so that I can slowly get used to the new experiences around me. I am very quiet and have low activity levels.

**SPIDDLE**  
Spiddle is an older gentleman and a gregarious boy at almost 7 years old. He is a friendly, happy, sweet, playful, lazy, affectionate, and fabulous dog. When he is happy, he even gives you the infamous Greyhound smile!

**ALEX**  
Alex is almost 5 years old and is a perfect Greyhound for someone new to Greyhounds. He is very laid back, and such a well-behaved boy. He is more than content to sleep on his comfy bed.

**MAMIE**  
Matias is almost 2 years old and weighs 29 lbs. Perfect for anyone looking for a small hiking buddy. He loves to play with his toys and will keep himself entertained. He has been cat tested and passed with flying color!

**PETO**  
3 yr. old neutered Male Black and White DMH. Barn cat who does not want to be inside. Enjoys wandering in the tall grass. Balls and going for walks to sniff big rocks! I could probably be the only pet in the home with no other dogs.

**BOULDER**  
2 yr. old, NM, lab mix. Such a fun personality, playful and engaging. A true companion dog! Smart but can become excitable and reactive when seeing other dogs, will need adopters with previous dog experience.
